

Prep 2021 Enrolments

IMPORTANT

Have you enrolled your Prep child for school next year? Do you know a family member, friend or neighbour with a school aged child needing to enrol? Now is the time do this.

Enrolments need to be submitted by **7th August 2020** to your preferred school. After this date, the department require you to enrol into your zoned school.

If you have any questions regarding enrolments, please don't hesitate to contact us.

Prep 2021 Enrolment Information Night

On Tuesday 4th August at 6.30pm we are organising a Parent Enrolment Information Session for families who have not yet made a decision to enrol in a school. This will involve me doing a quick presentation about the school and then answering any questions that prospective parents may have. If you have already enrolled your child at our school this session is not for you.

A Prep 2021 Parent information Night will take place later in the year. If you know of any prospective parents you may wish to advertise this opportunity to them so that they can at least get an understanding of what we are trying to achieve as a school.

Premier's Reading Challenge

Don't forget to log the books you have read on the Premier's Reading Challenge page. If you have lost your log in details please check with your class teacher. All children are encouraged to complete this challenge which ends in September. P-2 must read 30 books and 3-6 must read 15 books to reach the challenge.

Staff onsite change

As the cases of COVID 19 continue to rise we have decided to reduce the amount of staff onsite in order to reduce the chances of infections. As such the staff will be on a roster throughout the week with teachers being onsite for at least one day during the week. The students will still receive the same remote learning instruction through WebEx but students onsite will notice the difference as they will be put together with students from other classes in the same cohort for example the Grade 1/2 students who are onsite will be placed with other Grade 1/2 students. They will still take part in lessons organised by their class teacher. Students who are working from home will only notice a change in background for their teacher as the codes and times will remain exactly the same. The motivation here is to try and maintain the health and wellbeing of all our staff, students and parents as we tackle this challenging time together.

If Staff are absent

I wanted to give you some details relating to the situation if a staff member is absent due to illness or personal issues. It is virtually impossible for a CRT to provide WebEx sessions and therefore a new WebEx code will be sent out to allow your child to join the WebEx classes of one of the other Grade teachers in the same level. This code will remain the same whilst our colleague recovers. When your child's class teacher has recovered we will send you another email or Flexischools notification to inform you to resume the normal class lessons. This situation is obviously not ideal but seems to be the best way that we can ensure learning continues when a teacher is absent.

Health Care Worker Support Posters

As was mentioned at last week's assembly we will be having a weekly clap for Carers. This clap is a recognition of how much we appreciate the work of health care professionals. We have also asked students to contribute a poster that we can place on the front fence to show the carers that we appreciate all they do. Please send your completed poster into school using the letterbox at the front of the school so that we can start to put together this display.

Curriculum Day Friday 14th August

As you are aware we had had this date booked as a Curriculum Day since the beginning of the year and as such we will continue with this day to work on our Reading Scope and Sequence (This is a document that looks at the data of our students and allows us to identify the key areas that our students need learning planned for) As such there will be **no onsite attendance or remote learning sessions** on this day to allow the staff to organise and compile this important document.

Virtual Clubs

Just a reminder that we will still be holding a Virtual Lego club for all students on Tuesdays at 1.30pm. We will also be organising a cartoon drawing Club on Wednesdays at 1.30pm and Mrs Matthew's will be offering a Chess club (details to be sent out soon).

Onsite Attendance Forms

Just a reminder that the Onsite attendance form must be handed back to us either digitally or in hard copy by 3pm every Thursday. This will allow us to plan effectively for the following week and ensure all students have adequate supervision and teachers are able to continue with the WebEx classes.

Have a great week and stay safe,
Andrew
