Welcome back

Welcome back to Term 4. I hope you had a great break, and you were able to spend time with your children and enjoy some days out. At school we are preparing for a long but enjoyable Term which promises to be just as busy as Term 3. We have a lot to do but I am sure we will all enjoy the amazing events the staff have organised.

**WELCOME
BACK!**

Hats

Just a reminder that hats will need to be worn during Term 4. There will be an amnesty for the first couple of days and then after that if your child does not have a hat they will have to stay in the shade. This will ensure we can protect our students from any sun damage. You may also want to think about applying sunscreen before your child comes to school. Extra sunscreen will also be available for them to top up in the classes.

Parent Educational Requests

Parent Educational Requests will open on Monday 6th October and will close on Friday 31st October. If you have lost the form, please collect one from the school office.

Trivia night Saturday 18th October

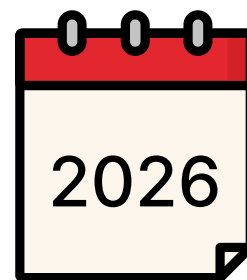

Don't forget to get your tickets from the office for the adults only trivia night on Saturday 18th October starting at 7pm in the BER Building. Remember you will need gold coins to take part in some of the games. Get your team together and be ready for some fun and games. \$15 for each team member.

Curriculum Days for 2026

On Tuesday, the school Council set the Curriculum Days for 2026. Please put the dates below into your diary for next year. The dates of the first two curriculum Days means that students will start school on Thursday 29th January 2026. The other dates are linked as best we could to public holidays to give families a chance to get away.

- Tuesday 27th and Wednesday 28th January
- Tuesday 9th June
- Monday 24th August
- Monday 2nd November
- Professional Practice Day on Monday 23rd November

Oval

We are continuing to work on the oval to get it back to where it was and allow students to get access once again. Thanks to the Gardening and Construction club students who have helped me plant the seeds, water them and keep the birds away. It has taken a long time but I am hopeful that we will be able to get students playing on the oval again in a couple of weeks time. Thanks also to Mell for all her hard work and advice whilst we worked on this project.

Have a great week

WELCOME BACK TO OUR FAMILIES FOR ANOTHER TERM WITH EXTEND!

This term's theme for our OSHC services is:

Dream Big, Aim High, Achieve Together!

As we approach the end of the year, it's a wonderful opportunity for your children to reflect on their growth, set new goals, and embrace their potential as future leaders.

We believe that by acknowledging their progress and aspirations, we can empower your children to finish the year strong and look forward to the future with enthusiasm.

Thank you for your continued support. We are excited to embark on this final term together, nurturing growth, setting goals, and celebrating achievements!

WHAT'S HAPPENING IN TERM 4:

Chain of Goals: Children get the chance to write one goal each on a strip of paper that forms into a loop and creates a chain.

Vision Board: Create a visual goal-setting collage using pictures, drawings, magazine images to visually show what you hope to achieve next year.

Future Letter Writing: Write a future letter to open in one year which may include goals, achievements, hopes, reflections.
