### Friday 30th October

Well another week has flown by and we have had another two great events and some great learning. It feels like everybody is settling back into the groove and I am seeing some excellent learning displayed around the School. The Fun Run and the Halloween disco have been organised by staff in a very short timeline and I would like to thank Steph Marion and Angela Mayall for their work in organising these fun events for our students.

### Educational requests

Just a reminder that the last day for Educational requests is today Friday 30<sup>th</sup> October. If you are reading this and have forgotten to get this into us please go home and send us a Email with your preferences so that we can process them in time.

### Curriculum Day and Melbourne Cup Holiday

Just a reminder that next Monday 2<sup>nd</sup> November we will be holding a Curriculum Day that will focus on planning for next year and work on our Reading Scope and Sequence. I am sure it will be a very productive day. The following Day, Tuesday 3<sup>rd</sup> November the school will be closed for the Melbourne Cup Holiday.

### Reports

The Report template has now been completed based on the requirements of the Department of Education. They will be different from the end of Semester one reports but will not quite be the same as the reports from previous years. In English and Maths, the School will:

- Provide a short description of what was taught; and
- Report achievement by making a teacher judgement against the Victorian Curriculum F-10 achievement standards; and
- Report progress from the last time that curriculum area was reported on. (Semester 2 , 2019) include an age-related five-point scale

For the Specialist classes the School is required to provide a short description of what was taught during Semester 2 2020.

### Facebook Page

After years of procrastinating and not wanting to move into the 21<sup>st</sup> century I am pleased to announce that our Facebook page has gone live this week. As you are aware I am an old curmudgeon who does not have much to do with social media but I have relented and now we will have our own page where you will be able to catch up with the latest photos and events. Please feel free to like our page (I think that's right?) and share posts to your friends and family. Thanks to Emily Wilkinson for organising this for us.

### Science

This week, I was very fortunate to see Mr Ellis performing an experiment with dry ice for the Grade 3/4 students. It was fantastic to see the expectation of the students as the dry ice changed back into a gas that forced the syringe plunger to shoot out with a loud pop. Thanks to Mr Ellis and Mrs Hill for organising an amazing science program for our students. I am sure, like me, the students are excited as to what experiment Mr Ellis and Mrs Hill have for them next week.

Have a great week

Andrew

# LPS Fun Run

What an amazing day we had on Tuesday for our modified annual Fun Run. Students came to the event eager to complete the obstacle course and had fun in doing so. Everyone participated with smiles on their faces and were rewarded with an icy pole at the end as a reward for their efforts.

A big thank you to our wonderful School and House Captains who put in a great deal of work behind the scenes to make sure the day was a success for all! They assisted with the setting up/packing up the course, running the event and scoring. On Friday at assembly they will announce the students who won a prize with most points scored with the bean bag throw and footy goal points, combined.

Our School Fun Run promotes healthy and active lifestyles!

Mrs. Marion

Our very talented art teacher Mrs Kennedy and Mr GD have been working very hard on creating our new fence of children's favourite stories. The fence is located behind the library.

Yesterday we had to close off our gate and surrounding areas to Castella St Courthouse as we had a Bee Hive.

A huge thank you to bee keeper Phil who we found from Yarra Valley Bee Group. Phil will relocate the bees to a safer area for them and us.
