Friday 6th November

Issue 144

I hope you all had a wonderful long weekend and are ready for a busy few weeks ahead. Last week we had the Halloween Disco and the fun run and this week we have had a very successful House Athletics on Thursday. I would like to thank Mrs Matthews for her work in organising this event for our students. On the Curriculum Day the staff worked on developing the Reading Scope and sequence for our school. This document forms the basis of all the work we complete in Reading. The first task was to look at our data so that we can target the specific needs of our students. The staff have put together a very comprehensive document that will support teaching and learning in Reading at our School for years to come. Thanks to the staff for working so hard to produce such an important document.

Parent Opinion Survey

Just a reminder to complete the Parent Opinion Survey by Friday 13th November. The survey will be conducted **online** and should take **20 minutes** to complete. The survey will be open until **Friday 13 November 2020**.

To complete the survey, simply:

Remembrance Day Service

Next week on Wednesday 11th November, we will be holding our Remembrance Day service at 10.30am. This service will be done remotely and I will be sending out a link to allow you to join us on Webex. Each class will do a very short presentation and the wreaths that are created will be taken and placed under our memorial board in the BER.

Changes to our Staggered Pick Up

We are desperate to return to a more normal School day however we also want to ensure that we do this safely both COVID safe and physically safe. Allowing all the students to exit the school at 3.30pm, when parents are not able to come onsite makes the physical safety of our students a concern and we would not be able to ensure social distancing due to the nature of our grounds. As such from Monday the 9th November the school will move to two pick up times at 3.15pm and 3.30pm. Students who are normally picked up between 2.50pm and 3.15pm your new time will be a 3.15pm pick up. Students who are picked up after 3.15pm will now be expected to be picked up at 3.30pm. This will mean a large increase in traffic and parents around our school and it may take a while to settle into a routine. The staff will continue to park in the Church car park on Jones Street creating more space on Castella Street. The gates your child will use to exit the school should remain the same to ensure there are no students heading out to the wrong spot. Staff will still be out on the gates to supervise the students and keep them safe. Please ensure that you continue to socially distance and please do not congregate in groups. This may be a little difficult with the increased traffic and shorter time period we will benefit by gaining more teaching time that will allow us to continue to focus on the Department priorities of improving students learning and developing happy and healthy students.

Reports

As I have previously mentioned the Reports for this Term will look slightly different than previous year. The Department has mandated that we provide a statement for English and Maths regarding what the students have covered. This statement will be the same for all the students in the cohort. The teachers will assess your child in relation to the Victorian Curriculum and will provide an assessment related to the Victorian Curriculum Progression points. This is obviously different from our normal reports where we comment on individual progress but due to the shortened timeline for reports and the remote learning that has occurred in Term 3 the Department has made this decision. If you need to talk to your child’s teacher about their progress please feel free to contact your child’s teacher so that you can arrange for that discussion to take place.

Have a great week,

Andrew
