Art Show and Grandparents Day

Just wanted to say a huge thank you to all those who attended the Grandparents' Day last week. Our students had a great deal of fun showing their Grandparents or special visitor around and enjoying some sweet treats in our newly formed CAFE. We hope that you enjoyed yourselves as much as the staff and the students. I would also like to thank all the parent volunteers who helped on the stalls, ran the Family photography and served in our CAFE. It was a great deal of effort, and I would like to thank them for their contribution to our fundraising efforts. Thanks to the staff for all their hard work setting the stalls up, creating our CAFÉ and welcoming people into their classroom. Finally, I would like to thank Mel for putting on a stunning Art show where students were able to show off their amazing art work. Thanks again for your attendance and helping each of our students feel so special.

Lilydale High Students

On Tuesday this week we had the Lilydale High School Students who are completing their Duke of Edinburgh award come to our school to help us with a few projects. These projects include repainting the cubby, creating a decorative fence around the Yarning circle, creating some more snakes to put up on our walls and preparing the area near the chicken coop for our chickens. The students were helped by Cooper, April, Liam and Jaxon who have been helping with the Marnang (Gardening and Construction Club) Group all year.

We have a lot of work still to do but at least we have made a start. Thanks to Paul and the Lilydale High School students for their efforts in supporting these projects that will make a difference to our school.

Yarning Circle Excursion to Mount Mercy College

Thanks to Grant and Toni for taking our students to the Mount Mercy College to take part in some activities that celebrate aboriginal culture and heritage. During the yarning circle, our students created a banner that will be displayed at our school as a reminder of this meaningful experience. They also participated in other cultural building activities and learnt about the history and traditions of Australia's First Peoples.

Father's Day and Special Person Stall

A huge thanks to all the parents who helped run the Father's Day and Special person stall today. Fathers are extremely special to us all and we hope that all the fathers and Special people enjoy the gifts that the students have bought for them on Sunday.

Chess Championships at the Basin next Tuesday

Just a reminder that we have our team of Chess Champions heading to the Basin Primary School on Tuesday to compete in a Statewide Chess Championship. We wish our team well as we hope to move to the next stage of the competition.

Premiers Reading Challenge

We have now given out over 150 books as prizes for our students who have completed the Premiers reading Challenge. We will also be awarding a pizza party to the class in each level that reads the most books. Please encourage your child to complete the challenge and win some prizes for themselves and their class.

Have a great week

Andrew
