Graduation Extravaganza

Last night, I got to enjoy a wonderful Graduation ceremony with our brilliant Grade 6 students. They have been a real credit to our school and we are sure to miss them all in 2021.

The evening started with the formal presentation and the students performed their Graduation medley. This was followed by a Parma and chips or Lasagne and then ice cream for dessert with sprinkles and other goodies supplied. After this the dancing started at the disco and this was when all the students and staff let down their hair and danced into the night. I have lots of thank yous for those who helped make the night such a success.

These include:

- Emily and the Parent Graduation Committee for the amazing displays and decorations and for the wonderful gifts and treats for each graduate.
- Joh for the wonderful letters which she individually finds photos for and sticks them on by hand to provide a lasting souvenir of their Graduation.
- Ryan for finding a new career in being a popular and charismatic DJ for the evening.
- The staff who watched the ceremony live streamed in the gym to ensure that every parent, friend or grandparent that wanted to attend could do so.
- Shah (Our Tech) for organising the live streaming on our Facebook account and ensuring that the sound and vision were the best they could be.
- The Grade Six teachers who coped with the amazing changes that occurred this year to plan and organise such an important event for our students.
- I would like to thank and pay tribute to Emily who marshalled the whole Graduation process from inception to the finished event. It is hard to imagine the amount of pressure that Emily has faced this year with organising this event. We have moved from one scenario to the next and Emily has taken it in her stride and adapted to the ever changing circumstances. It is amazing that such a complex evening could go without a hitch when it is only on Tuesday night this week that we found out what we were able to do. This says a lot about Emily's dedication to her work and her flexibility and professionalism to ensure we achieved a great event that will be long remembered by our Grade 6 Graduates.
- All students were recognised for their outstanding achievements throughout the year. The recipients of the major awards in 2020 were:

Principals Award:	Lachlan M	Values Award:	Charlotte	Academic Award:	Isie
Sports Award:	Gemma	Performing Arts:	Steph B	Visual Arts:	Karma
Japanese Award:	Sammi				

- And lastly to our Grade 6 students, thank you for your energy, enthusiasm and resilience. We wish you every success at Secondary School next year. They are lucky to be getting such a fine group of young people.

Graduation Art Work to be installed

I would also like to thank Michele for creating with the Grade Six students the new clay tile art work that will soon be installed on the outside of the school to pay tribute to the Grade 6 students.

Chaplaincy Grant

I am pleased to announce that we have managed to secure a Chaplaincy grant for the next two years which will ensure we are able to continue our work with Michael to provide support to those students who require it. This is a great success and will provide our students with the individual support that will mean they manage life's difficulties.

School Owned iPads and other devices

Just a reminder that all School Owned devices must be returned to School on Monday 14th December. This will allow us to organise them and get them ready for 2021.

Have a great week

Andrew

Grade 6 News

Lachlan M and Harry from Grade 6 wrote a letter to AFL Footballer Taylor Adams from Collingwood about "Who they admire" and were very pleased to receive a reply.

Hi Harry and Lachlan,

I have received and read both of your very well written "who I admire" letters and I am very humbled that you both see me as a role model. I remember being your age and looking up to AFL footballers (my favourite player was Jimmy Bartel) and just wishing that one day I could play on the MCG. With a lot of hard work and dedication, anything is possible! So continue to chase your dreams and always remember that the sky is the limit!

I hope to see you both fulfilling your dreams in the black and white one day!

All the best and once again thank you!

Taylor Adams

We discovered ways to create Christmas tree ornaments.

We learnt how to work as a team and put up our beautiful Christmas Tree.

We made reindeer faces and used them as masks.

STAR OF THE WEEK!

CHARLIE

For being a supportive and welcoming member of our team and for always trying his best in sport group activities.

We have had a jolly week by jumping into the festive season and engaging in lots of Christmas activities. We have been hands on with lots of craft sessions as well as enjoying moving our bodies to Christmas music. We hope everyone has a fantastic final week of Term 4!

Anchor Christmas Gift Card Appeal

Anchor's wish this Christmas is to ensure that all the children, families and individuals we serve feel safe and secure and are able to enjoy a little Christmas spirit with those around them.

This year has been tough all round. Our services have experienced a significant increase in demand from families we wouldn't usually see. We have worked hard to provide additional accommodation, meals and other support- helping over 3,300 families, young people and individuals in 2019/20 across Maroonah, Yarra Ranges and Knox.

This Christmas will look very different for a lot of our clients and so we feel it is more important than ever to go that little bit further and show those who need it most, that we care.

Our Christmas Gift Card Appeal aims to support local families and individuals in our community. By purchasing a gift card from your local Woolworths, Coles, Kmart, Target, Big W or by purchasing a prepaid Visa or MasterCard you can make a difference. These gift cards will be handed to families to ensure they are able to purchase what they need this festive season.

Thank you for your generosity and support of Anchor and our clients!
