Froud of our Fast. Educating for the Future

Thursday 8th October

Welcome back to a new term and we are delighted that we will be welcoming all the students back to School next Monday 12th October. There will remain some challenges as we try to ensure our School remains COVID safe and follows the Department guidelines but we also want to ensure that our students have a settled and fun term together. Please talk to us about any issues your child may have faced during the remote learning period so that we can work together to ensure that they get the support they need this term.

Term 4 Priorities

The Department has identified three main priorities for Term 4. They are: **1.** Supporting the Mental Health and Wellbeing of students staff and parents

- 2. Learning Focusing on Literacy and Numeracy
- **3**. Transitions All grade transitions

As such the school will be working hard to provide the students with in-house support and activities that will ensure that the students receive the best possible provision. We will need to constantly evaluate what we can and what we can't provide throughout the term depending on restrictions that are put upon us. This may mean that different events will be organised at very short notice. Please bear with us as we try to ensure our students enjoy a wonderful term.

Social Distancing around the School

We want to ensure that we do not need to close the school due to a COVID infection or have to return to remote learning. Therefore, it is vital that Parents do not socialise or meet up with each other in groups at drop off or pick up times. This is very important if we are to return to a more normal school day. The drop off and pick up arrangements will be reviewed after the first week. With your support we hope to be able to reduce the amount of time we have to implement the staggered starts and pick-ups. Please ensure you stay 1.5metres apart and do not congregate in groups around the school.

Hats

Just a reminder that Hats are to be worn by students when they are outside this term. Please ensure your child brings their hat to school.

Drink Bottles

Students should bring their own water bottle for use at school as students should not drink directly from drinking fountains at this time. Taps may be used to refill water bottles.

If you live 5Km Distance from School

I have spoken to the Department about this and there is no need to worry if you are travelling to School beyond the 5Km distance as this is an acceptable reason to travel.

Welcome Back Sausage Sizzle

In order to welcome our students back to school on Monday 12th October we will be holding a Welcome Back Sausage Sizzle during Lunchtime. This will be a free event and will include the opportunity to spend time with their friends and some dancing as well. We hope this will allow the students to reconnect with their friends and enjoy some time together as a whole school.

Thank You

Thank you once again for your continued support and patience during this time and for accessing our school's communications. We are very excited and looking forward to welcoming our students back to the classroom. If you have any questions that have not been covered in this newsletter or in our Parent Information Sessions please contact me at school so that I can answer those questions.

Thank you for your help and support with our planned return to school and please keep in touch so that we can ensure we are doing everything we can to ensure a safe and smooth return.

Thanks, Andrew

Our students are very excited and happy to be saying Goodbye to **Remote Learning!**
