Premiers Reading Challenge

We are doing amazing in our Premiers Reading Challenge. We have already managed to read 5,064 books and 71 of our students have already completed the challenge. Please keep logging your child's books even if they have finished and hopefully their class will be successful in winning the pizza party challenge for the most books read.

Grade 3/4 Camp

Just a reminder that next week is Grade 3/4 Camp on Wednesday 4th June. If your child is going on this camp, please come into the BER building at the normal school time and sign in your students and give any medications to Mr Ellis with the instructions clearly written down on the form provided earlier. If your child suffers from Asthma please provide the staff with your Asthma plan or the staff will follow the general rules and procedures when dealing with an asthma case. The students will return to school at about 2.30pm on Friday 6th June and can be collected and signed out from the Golden Forest (weather permitting). Please keep checking Sentral and the school will provide updates on their camp and expected times that they will arrive back. I will be visiting the camp on Thursday and I am expecting the students to be enjoying an amazing experience. There will be updates and photographs on Facebook thanks to Emily. Thanks to Grant and Emily for organising this camp and to the volunteers who are attending to support our students.

Lilydale's Got Talent Date

We are pleased to announce that the final of Lilydale's Got Talent will take place at 9.30am on Tuesday 9th September. Auditions will start in Term 3 so now is the time for the students to start planning what talent they wish to share with everybody.

I am looking forward to the singing, dancing, gymnastics and everything else that is involved with this fun event. Mrs Orlando will be giving the details of the auditions soon so start practising.

Film stars in our midst

Congratulations to Chase and Chev who took part as extras in the film, "My Eyes" which premieres this week in cinemas. Chase and Chev demonstrate their judo skills in the film about a young girl who has a rare eye condition and a judo athlete with vision impairment may be able to help. Chev and Chase take part in some of the judo action sequences. Congratulations and enjoy the Premiere boys.

King's Birthday Holiday and Curriculum Day

Just a reminder that the King's Birthday public holiday is on Monday 9th June and is followed by our Curriculum Day on Tuesday 10th June.

Pathway to Learning

Just a reminder that The Pathway to Learning sessions are continuing each Thursday between 2.30pm and 3.30pm. Thanks to Joh, Kiara and Maria for organising these sessions. If you have a student who is starting school next year, I would highly recommend these sessions for your child. They help students to understand what is expected at primary school and help with their transition. If you have any questions about this program please contact the school for further details.

Have a great week

Andrew 😊
