Lockdown Drill

Just to be aware that we had our Lockdown Drill on Wednesday last week. It went very well and all the doors were locked and the students and staff hid very well from me. As you are aware these drills are an essential part in practising to ensure that students and staff are safe in an emergency situation, however this may be a trigger for students. Please talk to your child about the need for these drills but also that the need for a lockdown is very, very rare. You may also want to emphasise that in a situation like this they should listen very carefully to the class teacher so we can ensure that everybody is safe.

Book Swap

We are still accepting books for the Book Swap stall. If you have any books that your child has grown out of, or does not read anymore, we would be glad to receive them. The Book swap is run by our students, and they are doing a marvellous job getting books to those who need them.

Father's Day Stall

This will take place on Thursday 4th September. Gifts will range from \$2.00 - \$10.00 and each child can purchase a maximum of two gifts. There will be an opportunity for all children to return to the stall before lunch if they would like to buy additional gifts. Please ensure children bring their money in a sealed bag or purse and a bag to put their purchased gifts in.

School Record Smashed!

Congratulations everyone, we have beaten our previous school record in the Premiers Reading Challenge and have now read 9568 books. Hopefully we can smash through the 10,000 barrier before the 5th September. At the moment there are 198 students who have completed the challenge that means we have 22 students who still need to complete this challenge. Please check that your child has completed the challenge and if they have not please help them to finish the challenge by the finish date. We have more book prizes arriving next week so hopefully we will get every student their book as soon as possible.

Assembly 5th September

At the assembly on the 5th September we will have 1/2G presenting about their learning and some of the students who have been taking part in the iRock Instrumental program will also be playing their instruments for our entertainment. Please come down and support your child if they are taking part in this assembly.

Library Reorganisation

Thanks to Maria, Rachel, Ollie, Phoebe and Lisa for reorganising the Library and getting even more books on the shelves. If you get a chance to have a look please do so. Although we have added more books and shelving, Maria and the team seem to have made the Library appear bigger. I am not sure I know how they have done that but we are very pleased with the results.

Curriculum Day

The Curriculum Day on Monday was very successful and we managed to complete work on The Phonic Plus program, Zones of Regulation, Anaphylaxis and crucially we have started work on changing our English Scope and Sequence over to the new Victorian Curriculum 2.0. This was productive and important work and I would like to thank the staff for their efforts on the day.

Have a great week

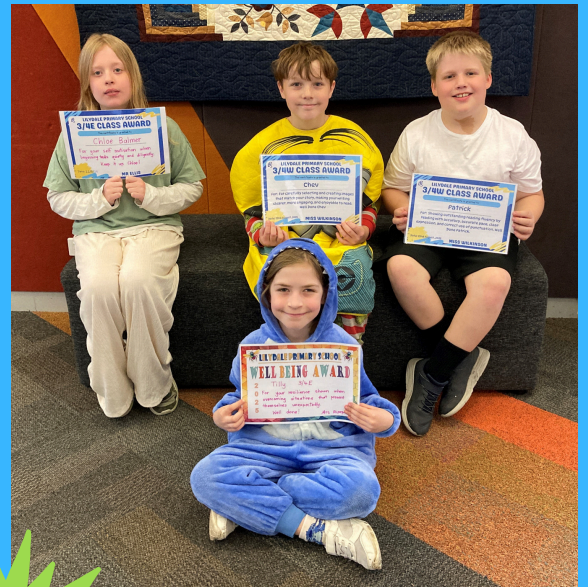

Andrew

Thursday 4th Sept: Mini rehearsal/run through with finalists.

Talent Show! Tuesday 9th September beginning at 9:30am in the BER

Run Around Australia Challenge

We have now run 8,256km. We have run through Carnarvon and are now 299km from Kalbarri.

Thank You

The grade 6s would love to say a big thank you to the families that supported their fundraiser. We raised \$1,112 to go towards their graduation. All orders and prizes need to be picked up from the Digital Technology's Room in the BER Building,

on Tuesday 9th September from 3:30pm.

I need some Grade 6 parents to help put the orders together from 2pm on the day. A big thanks to Nicole and Laura who have already volunteered to help.

Please bring an esky or insulated bag with you as the cookie dough is frozen.

A big congratulations to our school's Cookie Champions who sold the most tubs: Laura, Kenzie, Mackenzie & Jasmine P.
