ICAS Dramas

On Tuesday, three students attempted to do the ICAS writing, unfortunately the lockdown browser app would not install on our system and the students were forced to wait while we tried to sort the system out to no avail. Thanks to Zoe, Jack and George for their patience and our talks on the binary number system and the hexadecimal system whilst we waited. Thankfully the issue was resolved and the students managed to complete their tests on Friday. We have further tests in the weeks ahead and they do not require the lockdown browser so they should be all good.

House Athletics

Congratulations to all the students who took part in the Grade 4-6 House Athletics on Wednesday and the Prep to Grade 2 students who took part in their event on Thursday. The students were fantastic and did a wonderful job competing but also supporting each other. The results have been announced at the assembly today and these will be shared with you in the newsletter next week. Thanks to Mrs Matthews who organised both events and the teachers, staff and volunteers who supported Michelle for the days to run smoothly.

Lots of Photos

In today's newsletter you will find lots of photos of the Olympics Day and because there are so many for the House Athletics it was difficult to fit them in so they will appear in next weeks issue.

School Review

As you are aware our School Review will take place in Term 1 2025 and we are looking at different events to involve the school community in this important process. If you have any ideas that you would like to share please feel free to contact me at school. This process is very important in establishing our direction and goals for the next four years and we would love to have everyone involved.

Parent Opinion Survey

As you are aware our school is conducting the annual Parent / Caregiver / Guardian Opinion Survey offered by the Department of Education and is seeking your feedback.

The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage and appreciate your participation. Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent / Caregiver / Guardian Opinion Survey will be open online from Monday 29 July to Friday 30 August 2024. All families are invited to participate in the survey. Copy and paste the following text into your browser. This link will take you directly to the survey. <https://www.orima.com.au/parent>

Have a great week

On Tuesday ten children: Georgia, Macey, Otis, Winnston, Rhyder, Caleb, Lachlan, Elody, Jack C and Mia C presented their speech to all the Grade 5/6s. They could choose any topic they liked. The teachers and students voted for their favourite speech and it was unanimous. A big congratulations to Otis and Rhyder who will be representing our school in the Rotary Speech Competition on Wednesday 14th August at MECS. Otis spoke about "Mysteries of the Deep" and Rhyder, "Alternative Energy Sources". Well done to all of you and best of luck to Otis and Rhyder for the next round.
