

Premier's Reading Challenge

Don't forget to log the books you have read on the Premiers' Reading Challenge page. If you have lost your log in details please check with your class teacher. All children are encouraged to complete this challenge which ends in September. P-2 must read 30 books and 3-6 must read 15 books to reach the challenge.

When you have a chance have a look at the front of the school. I painted a stone and Andrew has put it in the garden bed in front of the school. It looks pretty good!!!! Michelle Matthews

1. Download the Flexischools App

Note: for iPhone and iPad please select 'Allow' notifications.

2. Add your School and Group

Click on the search icon, enter your school name, select your school and year group, or groups relevant to you.

3. Login/Register

Click the 'Order now' button located in the bottom right-hand corner of the app, this will open a login screen.

- **Already a Flexischools user** - Enter your details and login. To save your login details select 'remember me'.
- **New Flexischools user** - Click 'Register', enter your email address and follow the instructions in the email to set up your account. Once your account is set up, add new student; search for our school, enter student details and select their class.

If you have any questions, please contact the Flexischools Customer Service Team on **1300 361 769**, or you can contact them via their website.

The Flexischools system is now available and ready to use.

Prep 2021 Enrolments

IMPORTANT

Have you enrolled you Prep child for school next year? Do you know a family member, friend or neighbour with a school aged child needing to enrol? Now is the time do this.

Enrolments need to be submitted by **7th August 2020** to your preferred school. After this date, the department require you to enrol into your zoned school.

If you have any questions regarding enrolments, please don't hesitate to contact us.

TERM DATES 2020

- **Term 1:** 30th January to 27th March
- **Term 2:** 14th April to 26th June
- **Term 3:** 13th July to 18th September
- **Term 4:** 5th October to 18th December

Thursday 23rd July

Welcome Back to Virtual Term 3

Welcome back to our virtual Term 3. It is disappointing that we have had to return to remote teaching but I believe that if we continue to work together we will be able to continue to support our students to learn. I know that this will be a very difficult time for families and I want to ask you to talk to us regularly about how your child is going with remote learning and how we can help ensure that they are supported to the best of our ability. There will be dark times ahead but I know that that this community has the resilience, empathy and support for each other that will ensure that we come out the other side stronger and more resilient and more thankful for everything that we have had taken away from us in the last few months.

Remote Learning Technology

I am very conscious of ensuring that all our students have access to the remote learning provided by our teachers and I am just wondering if you could let us know if you have any issues with your technology as soon as it occurs. We still have several Dongles that we could distribute if you need support with your internet. We have no available iPads but if you were to let us know we could arrange for one to be purchased for your child to ensure they do not miss any session with their class. Please let us know if you need any technical support we are here to help and would hate to find out after the fact that you are struggling with the technology.

Curriculum Day Friday 14th August

As you are aware we had had this date booked as a Curriculum Day since the beginning of the year and as such we will continue with this day to work on our Reading Scope and Sequence (This is a document that looks at the data of our students and allows us to identify the key areas that our students need learning planned for) As such there will be **no onsite attendance or remote learning sessions** on this day to allow the staff to organise and compile this important document.

Virtual Clubs

Just a reminder that we will still be holding a Virtual Lego club for all students on Tuesdays at 1.30pm. We will also be organising a cartoon drawing Club on Wednesdays at 1.30pm and Mrs Matthew's will be offering a Chess club (details to be sent out soon)

Masks for Staff

Just to let you know that from Thursday this week staff are required to wear a mask whenever they are not teaching students. This may cause some concern for your child and it is important to talk through with them why this is necessary to stop the spread of the Covid19 pandemic.

Parent Webex Meetings

At the moment the situation as far school operations is concerned has not changed radically from the beginning of the term so I do not have anything extra to let you know about. Due to this I will hold off with the WebEx meetings until such time as we have some drastic change. I will continue to keep you updated through the newsletter, emails and the Flexischools App. If you do have any questions as to how the school is operating please contact me at school.

Onsite Attendance Forms

Just a reminder that the Onsite attendance form must be handed back to us either digitally or in hard copy by 3pm every Thursday. This will allow us to plan effective for the following week and ensure all students have adequate supervision and teachers are able to continue with the WebEx classes.

Prep 2021 Enrolment Information Night

On Tuesday 4th August at 6.30pm we are organising a Parent Enrolment Information Session for families who have not yet made a decision to enrol in a school. This will involve me doing a quick presentation about the school and then answering any questions that prospective parents may have. If you have already enrolled your child at our school this session is not for you. A Prep 2021 Parent Information Night will take place later in the year. If you know of any prospective parents you may wish to advertise this opportunity to them so that they can at least get an understanding of what we are trying to achieve as a school.

Have a great week,
Andrew

Literacy and Numeracy Lessons

Chaplain Support

Hello everyone,
Here we go again!
During this time of lockdown we are no doubt going to find it hard, but with lessons learnt from the first lockdown, I have been able to refine the way I am going to provide chaplaincy services for students and families. The chaplaincy program aims to help positive well-being of students and families through well-being checks and referral to external services if necessary. The way this program will work during lockdown is by the use of WebEx meetings that will be timed at approximately 25 minutes. During this time students will be encouraged to 'catch-up' and discuss what is going on for them and if there is anything we can help them with during this time, whether it be school work or anxiety. As we go back into the hardships of remote learning, I will endeavor to work out a timetable that supports everyone who wants to access chaplaincy services. While there may be some flexibility, the importance of organising and keeping to a specific time allows me to support as many students as possible under high demand. The days I work for Lilydale Primary School are Tuesdays and Fridays and meeting times will be coordinated with the parent or caregiver of the student.
Thank you and keep safe.
Michael Hancock

Onsite Attendance

The Onsite attendance Form must be completed every week that your child will be attending onsite. This is vitally important in allowing us to plan for the week ahead and ensuring we have enough staff to cover the students attending. Please fill this in and return it to school by email at lilydale.ps@education.vic.gov.au by 3pm on Thursday

If your child is unwell

If your child is unwell you must keep them home particularly if they are exhibiting the signs and symptoms of Covid 19 including, cough, difficulty breathing and fever

Welfare Checks

Staff will be working with small groups or individuals relating to welfare checks.
