Trivia Night Tickets now on sale

On Saturday 18th October, we will be holding a Trivia Night in the Grade 5/6 building. This event will start at 7pm and finish at approximately 10pm. Tickets cost \$15 per person and teams can consist of ten people or less. We are releasing tickets now as the end of the Term will soon be upon us and then the Trivia Night will be here before we know it. This is sure to be a fun evening, so round up your friends and relatives and form a team. This event is a BYO event so you should bring your own drinks and snacks. During the event there will be challenges, questions, raffles, spot prizes and games. You may want to decide on a theme for your table and come dressed appropriately. Please contact the office if you have any further questions about this event and to collect your tickets.

School Open for Enrolments for 2026

During the next two months the school will be planning for the classes and school structure for 2026. As such we will be open for new enrolments during this time, enabling us to plan effectively. It is likely that once the structure is decided and the classes allocated that we will close the school for new enrolments that are not in our area in 2026. This will ensure that we can maintain our low class numbers and ensure greater continuity of friendships and classroom dynamics. If you have any questions about this, please let me know.

Cookie Dough Fundraiser Success

Huge congratulations to all the students and families who have contributed to the success of the Cookie Dough Fundraising. This money will help support the Grade 6 Graduation. We raised \$1,112, which is fantastic! All orders and prizes need to be picked up from the Digital Technology's Room in the BER Building, on Tuesday 9th September from 3:30pm. Thanks to Michelle for organising this fundraiser and for all your support to ensure our Grade Six students have an amazing night. Congratulations to Kenzie, Mackenzie and Ollie who sold the most Cookie Dough tubs. Please make sure that you make arrangements to pick up the prizes and tubs that you have ordered.

District Athletics

Congratulations to all the students who represented the School at the District Athletics on Wednesday. It is so pleasing to see our students trying so hard and showing the school values as they represent our school. Results and photos are on page 5.

Gardening and Construction Club

Thanks to the Gardening and Construction Club who have been completing a range of tasks across the school. They have installed a new sculpture (which needs to be completed) near the red slide climbing frame and have been helping to reseed the oval. This last task is taking an awful long time because despite the rain the ground is extremely dry. We are hoping to install a sprinkler system, from the water tank, soon to help water this area. Thanks to Mell, for regularly watering the grass, and Lisa for organising the reseeding. Thanks to Stanley, Awoodkyan, Alex, Rebecca, Kai, Rylan, Bernie and Cooper who have all contributed to this difficult work. Thanks also to Nat who has organised students to make signs to put in the gardens to keep students away from our lovely plants. The Gardening and Construction Club operates every day and is open to all students. Please encourage your child to join in and continue to make our school colourful.

Father's Day Stall

Huge thanks to Sam and her team of parent volunteers for organising the Father's Day stall which took place on Thursday this week. There were lots of wonderful presents that had been organised and hopefully all the fathers have a wonderful day on Sunday.

Have a great week

Andrew
