Thursday 5th March

Issue 119

Canteen - Flexischools

With the newsletter today we are sending out the Flexischools instructions which will allow you to order canteen food for your child each Friday. We have attached the menu so that you can look at what you would like to order for your child each week. I have registered myself and have been put in Prep B when the orders arrive. It took me a little time to register and get the order right though my only issue was when going to order I needed to scroll up on the home screen to access the food menu. I have now ordered a chicken and avocado sandwich and a cookie which I am now looking forward to. Just remember to click on the home symbol, you will see "Our Place" and then scroll up to food and then across to daily specials or lunch. There are bound to be some teething issues to start with so please let us know any feedback so that we pass this on so that we can ensure a smooth and effective service. Orders can now start to be placed for Friday 13th March.

School Council

Thank you to all of those parents who have volunteered to take a place on the school council this year. We still have at least two spots available and it would be good if we could fill these positions. Please get a self-nominating form from the school office as soon as possible. The School AGM and first council meeting of the year will take place on Tuesday 10th March.

Working Bee and free Pizza Night

Just a reminder that the Working Bee and free pizza night will take place on Friday 13th March from 3.45pm. We would love to see lots of people there to help us organise some of the projects that we would like to put in place. The projects include planting some new ground cover plants, redesigning the front garden including the installation of a pathway and the construction of a new sculpture created by the Gardening and Construction Club.

Prep Enrolment changes

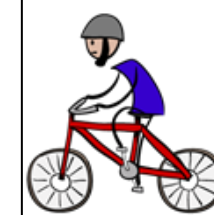

There are changes involving Prep enrolments this year. The changes include dates that are being implemented across the region. The first date is that enrolment forms for Prep students must be lodged with the school before Friday 26th June. The school will then write to prospective parents on the 13th July to inform them whether we have a place available for them. Students whose families reside outside the school zone may apply before the 26th June however no enrolments from students in Prep can be accepted after the 24th July. If you have a student who is looking to enrol in Prep for next year please take note of these dates.

Curriculum Day and Labour Day Holiday

Just a reminder that the school will be closed tomorrow Friday 6th March for a curriculum day and on Monday 9th March for the Labour Day public holiday.

Have a great week
Andrew

Freaky Friday 13th March 2020

National Ride2School Day

We encourage our students to join more than 350,000 students across Australia who will ride, walk or scoot to school. National Ride2School Day is the perfect opportunity for our students and the school community to embrace a healthier start and try walking and riding to school for themselves. Looking forward to seeing everyone walking or riding on this day.

Curriculum Day FRIDAY 6th MARCH
Public Holiday MONDAY 9th MARCH

A big congratulations to Jake, Oliver, Tawi Siam, Jack and Ewan for winning the Community Sports Awards for their great Sportsmanship.

Michelle Matthews
PE/Sports Coordinator

Open Day

Saturday 2nd May

9am-1pm

Come and enjoy the fun of Lilydale Primary School's Open Day. Enjoy a tour of our wonderful school, find out about our Pathway to Prep Program, experience our Robots and 3D printers or take part in a Judo demonstration. Enjoy our free Sausage Sizzle and Bouncy Castle. Talk to the staff students and parents about the programs and learning opportunities we provide for our students. It is sure to be a fun day!
