BER Wall Building Work

Just to let you know that the demolition of the BER wall will start on the 6th March. This work has been planned to ensure that the drainage around the BER building is to a high standard. This will impact the whole school as there are areas around the school which will not be able to be accessed. Please read the details below and let me know if you have any questions.

- Work will begin on Monday 6th March with the construction of a fence around the BER Building
- Students will be able to access the BER through the Main doors, this is also the case for Extend before and after school care
- The fence will be 3 metres around the building.
- The pathway between the basketball court and the wall will be out of action
- We will lose 3 metres of the volleyball court
- We will lose 3 metres of the asphalt area all the way to the climbing frame
- The basketball court will be available as will the spider and most of the oval
- The works will last 10 weeks
- The first works will involve the removal of the trees on the western side of the BER

It is sure to be a tricky time with workmen around and access to different parts of the playground. This is vital and necessary work and I am sure if we all work together we can manage this well. I would appreciate you talking to me regularly about any issues you may encounter during the construction so that I can raise these with the builder and seek a solution.

Working Bee

Thanks to everyone who has already volunteered for next week's Working Bee. We are hoping to construct a new Chicken coop. If you would like to help Kelly put this up you will need gloves and some eye protectors (we can provide these if you do not have any) Please remember to put your pizza order in to the office so we can organise this for your family. We hope to complete lots of work that will improve the school environment for our students.

Open Day

Thanks to all the students who have volunteered for the Open Day. A timetable will be sent out early next week with the times students can help out on the day.

CPR training

On Tuesday Night, all the Staff completed CPR Training. Thanks to Michelle for organising this for us. We hope we will never need this, but I am also glad that our staff are trained and ready.

NAPLAN

On Wednesday 15th to Monday 20th March the NAPLAN tests will take place for all students in Year 3 and Year 5. Please ensure your child is well rested on these days so that they are able to show their best in the tests. We are hoping that the results of this years tests will be released earlier this year so that we can use the information that they provide us with to plan programs that will continue to support student learning.

Have a great week
Andrew

There is still availability for the before school Tennis Program. Please contact the office if you would like more information.

On Friday 24th February, we played Victoria Road. Congratulations to Xavier, Gabby, Henry and Charlotte for winning the Sportsmanship Awards. Michelle Matthews - PE/Sports Coordinator

Victoria Rd v Lilydale

<u>SPORT</u>	<u>WINNER</u>	<u>SCORE</u>
Basketball (girls)	Victoria Rd	14 - 10
Basketball (Open)	Victoria Rd	27 - 10
Rugby League Tag	Lilydale	Victoria Rd - No Team
Cricket	Victoria Rd	182 - 82
T-Ball	Victoria Rd	Lilydale - No Team
Hot Shots Tennis	Lilydale	56 - 12

In our Special 5/6STEM Program last week, Benjamin discussed building our own bottle rocket. The children had twenty minutes to design and build their rockets, and then we went to the paddock to launch them. We achieved between .3 of a second to 1.64 seconds of flight. A big congratulations to Sam, Cooper, Winnston and Jack for their winning design.

★ ★ **A Tantalising Christmas Video** ★ ★

A Tantalising Christmas Video A Tantalising Christmas. It has been brought to our attention that some families may have missed their opportunity to purchase a copy of our production last year. We spoke to George Wood Theatre and we are reopening the link for a short time only. Please follow the link to buy a copy on usb or a digital download. The link closes on Friday 17th March so please ensure you make your purchase promptly if you would like a copy. This will be THE LAST opportunity to purchase this wonderful memory for your child.
